Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.allaboutcookies.org. To opt out of being tracked by Google Analytics across all websites visit <http://tools.google.com/dlpage/gaoptout>.

Search engine

The search engine on our website is designed to be as powerful and easy to use as the popular search engine Google. The search is made possible by a piece of hardware (a search 'appliance') supplied by Google that is plugged into our server and continuously indexes the content on our site. All search requests are handled by the appliance and the information is not passed on to any third party, including Google.

People who call our halpline

When you call the Trive's helpline we collect your Live Chat Session information. We use this information to help you.
